NEW YEAR RUN 2010

HAPPY
NEW
YEAR TO
YOU ALL

After postponing the New Year Run from the original date we were not sure how many cars/people would turn up for the re-arranged run.

You didn't let us down. We had 23 cars in total which made a very presentable procession through the villages and towns on our route.

The weather co-operated beautifully and many of the vehicles were in a "topless" condition.

The halftime stop (or Linda's loo stop) as it came to be known also seemed to be a popular choice.

The two course carvery held at The Sandhills was a huge success again. Mark

and Steph definitely seem to be on a roll with our meals.

Babara (from WHEN YOU WISH UPON A STAR) has asked us to extend our thanks for your hospitality towards them and the massive amount of cash raised. For those of you who didn't attend we collected **£415.00**

RACE NIGHT—FRI 5TH FEB

To continue the momentum of fundraising for WHEN YOU WISH UPON A STAR we are holding a RACE NIGHT on Friday 5th February at the Sandhills Tavern from 7.30pm onwards.

It is being run by the same company that do the race Night on Fridays at Stafford each year. All are welcome—not just club members...family, friends or neighbours, work colleagues etc etc.

We also need sponsorship for three more races @ £25 each if anyone knows a local company who may be willing to participate.

**NEWARK AUTO-
JUMBLE**

The next date for Newark Autojumble is Sunday 7TH February (weather permitting).

CHANGE OF DATE FOR CLUB AGM/DRIVE IT DAY

The date of the Triumph Sports Six Club's Annual General Meeting has been altered to accommodate the annual Drive It Day event.

Unfortunately as the AGM date is usually set around 6 months previously it is not always possible to plan it to avoid other events.

In this instance however, the Management team have

quite rightly decided that such a large Classic Card Day needs to take priority and altered the AGM accordingly.

We are looking into suggestions at the moment for Drive It Day and would appreciate any ideas.

It will be very difficult to beat the day last year when many of us joined

the Yorkshire areas for a run to Eden Camp, then a visit to Heartbeat country, followed by fish and chips at the coast.

We may rerun this again this year sometime towards the summer.

Special Request

We have had a special request from the neighbours of Martin and Sue. Please could we refrain from buying her alcohol at our events in fu-

Appeal for help

We are attending an increasing number of shows each year and Claire and Nigel are finding it hard to get in their shed and dining room with all our equipment.

If anyone knows of a CHEAP or FREE trailer that we can keep loaded with all our gazebos, flags, banners, bunting etc and just tow it to events when required please can they let us know. This will enable us to keep everything clean, tidy and in one place (and may also allow the Hill family to eat a meal together once again!!).

Also, our pop up gazebo was damaged beyond repair at the Thoresby Classic Car Show and we urgently need to replace it with one of a sturdier type. If we can secure a donation from a local individual or company this would help us greatly and let us focus our fundraising on flags etc. Please can you all put on your thinking caps and see if you know anyone that we may be able to approach.

5TH ANNIVERSARY CELEBRATIONS

Next month is the 5TH ANNIVERSARY of the Notts area and we are hoping to organise something special for the February meeting.

We are going to contact some of our members who have fallen by the wayside and see if we can rope a few old faces into paying us a visit.

Make sure you don't forget to come yourselves!!!! (Date on diary pages.

A BUSY YEAR AHEAD

Looking at our diaries and the list of events building up already it appears that this year is going to be a very busy one.

The combination of TSSC and CT events is filling nearly every weekend between April and the middle of October.

Try and make a New Year resolution (even if it's a bit late) to attend at least one event that you have never been to before.

THANK YOU TO OUR WEBMASTER

Can I just take this opportunity to thank Andy Sollis for his tireless work on our website.

It is kept up to date and refreshed regularly with the addition of new pics etc. he is always on the hunt for new images so if you get any good shots why not send them to him. For those of you who have never visited the website the address is at the top of the front page.

RECOMMENDATIONS

If you have any recommendations you want to share with fellow members, eg any particular trader who offers a good service, or advice; or a particular part or tool that has made life easier for you, just pass it on to the email address above and we will add it onto the monthly newsletter for all to see.

THE LIGHTER SIDE OF LIFE

A man is flying in a hot air balloon and realizes he is lost. He reduces height and spots a man down below. He lowers the balloon further and shouts: "Excuse me, can you help me? I promised my friend I would meet him half an hour ago, but I don't know where I am."

The man below says: "Yes. You are in a hot air balloon, hovering approximately 30 feet above this field. You are between 40 and 42 degrees N. latitude, and between 58 and 60 degrees W. longitude."

"You must be an engineer" says the balloonist.

"I am" replies the man. "How did you know."

"Well" says the balloonist, "everything you have told me is technically correct, but I have no idea what to make of your information, and the fact is I am still lost."

The man below says "You must be a manager."

"I am" replies the balloonist, "but how did you know?"

"Well", says the man, "you don't know where you are, or where you are going. You have made a promise which you have no idea how to keep, and you expect me to solve your problem. The fact is you are in the exact same position you were in before we met, but now it is somehow my fault."

An elderly woman went to her local doctor's office and asked to speak with her doctor. When the receptionist asked why she was there, she replied, "I'd like to have some birth control pills."

Taken back, the doctor thought for a minute and then said, "Excuse me, Mrs. Glenwood, but you're 80 years old. What would you possibly need birth control pills for?"

The woman replied, "They help me sleep better."

The doctor considered this for a second, and continued... "How in the world do birth control pills help you sleep?"

The woman said, "I put them in my granddaughter's orange juice, and I sleep better at night."
