ROBIN HOOD RALLY 2010

What a weekend!!

For those of you who couldn't make it to the area weekend, you missed a "gud 'un".

Friday night started with a pie and pea supper in the marquees accompanied by a viewing of England's World Cup Match. At the end of the match a challenge was issued to all..along with two black bags and a white bin liner. The object of the challenge..to create an outfit that one of the group had to model in front of everyone else on Saturday night.

We had received an offer from Sue and Ron (& Sophie) to provide cooked breakfasts on both mornings and this went down a treat. Full English with cup of tea/coffee for the bargain price of £2.99. They were kept very busy

and nearly ran out of sausage on the first morning!!

Andy Sollis had kindly offered to do the Treasure Hunt for us this year and over a dozen cars set off on Saturday morning for a charge across the countryside, answering clues and avoiding irate women at windmills (you'll have to ask someone who was there, if you missed it). A quick stop at the Robin Hood Pub was followed by a short convoy dash to Sherwood Forest and the wonders of the Major Oak.

For the archery this year, we tried a change and booked it on the Walesby Camp Site. This was a huge success with Have A Go Archery and the usual tournament. For a very small

charge we had over two hours of fun and games.

Talking of fun and games, the Saturday night entertainment in the marquee was one of the best yet. Check out our website for some of the pics that are publishable!!

Sundays run started off really well, blazing sunshine, beautiful scenery and then we got behind a tractor, stuck at level crossings and encountered the Great Notts Bike ride. It all added to the fun though and with a fantastic lunch time stop for food and drink we soon headed off to our final destination, Newstead Abbey.

Our thanks go to those of you that did attend.

NEWARK AUTO- JUMBLE

The next date for Newark Autojumble is Sunday 25th July.

Sadly Nigel cannot attend this one either. What a shame!!

A few of us attended this years Peak Run last weekend to support our neighbours.

After moving to a new campsite we were very impressed with the facilities and camp site itself.

Friday night saw us all gathering in the club house on site for "meeting and greeting" and renewing old acquaintances. Once again a huge attendance from TSSC Manchester area ensured the weekend was definitely going to be lively

PEAK RUN

Saturday morning gave an option of either a treasure hunt on foot around Ashbourne or a scatter rally in cars around the local area.

Again there was a great spirit of adventure and competition as cars raced around the countryside trying to get the clues in the least possible mileage.

Saturday night was led by Roger, Colin and the rest of the nutters from DV with some silly games

based around the World Cup theme.

There was a chance for a quick chat afterwards with MOST people going quietly to their beds (eh, Nigel and Darren).

Sundays run was one of the shortest yet that we have known on the Peak Run but it was really good. A final destination at Matlock Bath drew a lot of attention from the public despite the departure of those who wanted to watch the match!!

APPEAL FOR HELP

Does anyone have any old duvets, pillow cases, teddy bears etc that Claire can take to decorate the Hall at Stafford for the Saturday night party?

All donations gratefully received as we are having problems with decorations for this years theme.

NORTHANTS CAMPING WEEKEND

It was the first time that Nigel and Claire had attended this event at Wicksteed Park but it will definitely be on the calendar for next year.

The campsite is immaculate with brand new toilets/showers, there's an amusement park for the youngsters and a hearty welcome from the Northants crowd. Hopefully more of us will make the trip next year.
